TERRIBLE CASE OF ECZEMA CURED

Body and Face Covered with Itching, Painful Eruption—5 Years of Suffering Beyond Description—Thought Death was Near.

WANTS WORLD TO KNOW OF CURE BY CUTICURA

"No tongue can tell how I suffered for five years with itching and bleeding eczema, until I was cured by the Cuticura Remedies. I am so grateful I want the world to know, for what helped me will help others. My body and face were covered with scales. One day it would seem to be better, and then break out again with the most terrible pain and itching. I have been sick several times, but never in my life did I experience such awful suffering as with this eczema. I had made up my mind that death was near at hand, and I longed for that time when I would be at rest. I had tried many different doctors and medicines without success, and my mother bought me the Cuticura Remedies, insisting that I try them. I began to feel better after the first bath with Cuticura Soap, and one application of Cuticura Ointment. I continued with the Cuticura Remedies, and after a few days I was free from the trouble. I have taken four bottles of Cuticura Resolvent, and consider myself well. This was nine years ago and I have had no return of the trouble since. A person having any doubt about this wonderful cure by the Cuticura Remedies can write to my address. Mrs. Allie Elson, 933 Ina Road, Battle Creek, Mich., Oct. 16, 1909."

The suffering which Cuticura Soap and Cuticura Ointment have alleviated among skin-tortured, disfigured infants and children, and the comfort they have afforded worn-out and worried parents have led to their adoption in countless homes. Cuticura is a cure for all skin diseases, eczema, rashes, and every form of itching, burning, scaly humor are speedily cured by Cuticura. In the majority of cases, when all else fails, Cuticura cures. Cuticura Soap, Cuticura Ointment, Cuticura Resolvent (60c), and Cuticura Tablets (25c), are sold throughout the world.
